COVID-19 (CORONAVIRUS) | NOTICE TO OUR CITIZENS

Dear Citizens,

Ville d'Estérel has taken appropriate measures in response to the COVID-19 virus pandemic based on recommendations and directives from the [Government of Québec](#).

We have taken many precautions; employees and city councillors returning from abroad will be working from home for two weeks and we are exercising common-sense measures such as social distancing and frequent hand washing.

No community events will be held before the summer and the March 20th council meeting will be closed to the public. The minutes of this meeting will be posted on our website as usual at <http://www.villedesterel.com/en/News/Minutes/> and you are always welcome to call us if you have any questions.

The government has also ordered that all ski centres close and *Hors Limite* has complied with this directive. The cross-country and snowshoe centre at Parc d'Estérel is closed for the season.

City Hall remains in operation but closed to the public. We ask our citizens to communicate with us by phone, mail or email.

Please be assured that your health and our employees' welfare are paramount.

Warmest regards,

Joseph Dydzak, mayor
